The new Kliek workbooks offer a blended learning approach to teaching and learning First Additional Language Afrikaans. This series offers four new grade-specific workbooks for Grades 8, 9, 10 and a combined workbook for 11 & 12. This series allows learners to improve their skills in Afrikaans and to work at their own pace to complete activities in the workbook and online.

WORKBOOK FEATURES

- › Grade-specific
- › Full colour visuals with a modern layout
- › Exercises given after each unit
- › QR codes at the start of each topic that link to online activities
- › User code provided in the front of the workbook for access to the online portal
- › Adequate space to fill in answers

CONTENT FEATURES

- › Phonics
- › Using a dictionary
- › Complete explanations of all basic language principles and concepts
- › Vocabulary extension
- › All creative writing formats are explained and represented in interesting examples
- › Oral activities including: listening, reading and speaking

CURRICULUM

- › CAPS and IEB aligned
- › Suitable for home-schooling

ONLINE COMPONENT FEATURES

- › User-friendly online portal with additional exercises
- › Interactive activities
- › Available on smartphone, tablet or laptop
