### Profile

Vu Thi Thinh is a Partner at LNT & Partners, working in the Hanoi office of LNT. With over 5 years of experience, Mrs. Thinh has advised on numerous infrastructure projects and dispute resolution matters. Her career is highlighted by her involvement in several large-scale projects, solidifying her reputation as a highly-regarded legal advisor in the industry.

As a key member of the arbitration dispute resolution team at LNT, Thinh provides expert opinions on contracts for transformational projects. Notably, she has contributed to contract advisory and dispute resolution for the development of metro lines in Hanoi and Ho Chi Minh City. She has also advised on Engineering, Procurement, and Construction (EPC) contracts within the renewable energy sector. Her meticulous attention to detail and deep understanding of complex contract terms enable Thinh to effectively advise on dispute resolution, minimize legal risks, and contribute to the overall success of projects.
