

Fashion Design

National Higher Certificate NQF5

01

A career awaits you in **fashion design**, fashion styling, fashion buying retail managing and store merchandising

02

This fashion design course equips you with the necessary practical skills for you to excel in **your fashion career**

03

Fashion lecturers who are active in the industry will **guide you** to becoming the next top Fashion designer

04

See your garments on the runway at our **annual fashion show**

Core topics:

Design Principles | Fashion Illustration | Garment Construction | Fashion History and Trends | Fashion Show

Duration: One year. Full-time

What you will cover:

Step into the world of fashion and **unleash your creativity** with our programme designed to help you design and produce clothing and accessories that truly reflect your unique style and vision. From **design and production** to merchandising and marketing, fashion skills are your passport to a diverse array of industries. Throughout the year, you will have the opportunity to **design and create numerous patterns and garments**, with equal emphasis on honing technical expertise and unleashing your design flair. Learn from faculty who are not just lecturers, but also **working fashion designers**, ensuring you receive real-world insights and practical knowledge. With a strong emphasis on the **business side of fashion**, you will be equipped to navigate the industry with confidence. Showcase your creations at our **annual fashion show**, where your talent will shine for all to see. Plus, with **professional development** initiatives and **work-integrated learning opportunities**, including real-world practical hours outside of Oakfields College, you will be well-prepared to embark on your journey as a **future fashion entrepreneur**. Join us and let's bring your fashion dreams to life.
