What you will cover:

Get ready to let your creativity run wild and explore endless possibilities with our **make-up and special effects course**. Picture yourself diving headfirst into a world where you're not just applying makeup, but **transforming actors and models** into a whole spectrum of characters, **from fantastical creatures to extraterrestrial beings**. We're talking about immersing yourself in the worlds of film, TV, theatre, photography and fashion, where every brushstroke is a step closer to unlocking your full potential. Whether you're perfecting the art of **beauty make-up** or **sculpting intricate 3D prosthetics**, our curriculum has you covered from every angle. And hey, who said **creating third-degree burns or zombie apocalypse survivors** would be easy? But with our specialised special effects practice, you will be tackling those challenges head-on, turning them into opportunities to showcase your creativity like never before. And let's not forget about the **soft skills** – teamwork, communication, problem-solving – because in this industry, they're just as important as mastering your craft. Plus, with our professional development initiatives and **real-world practical hours outside the classroom**, you will be primed and ready to carve your own path, whether as a make-up maestro or a **future entrepreneur**. So, if you're ready to let your imagination soar, come and join us on this epic journey where the sky's the limit.
