Graphic Design

Higher Certificate NQF5

Credits : 120

01

Combine art and technology
to **visually communicate**
ideas

02

Create **artistic** and
visually engaging designs

03

Professionals from the industry
will cover a wide range of
multi-media tools and techniques

See fees on Oakfields College Fee Sheet

What you will cover:

Unleash your creativity and **transform ideas and emotions into captivating visuals** with our comprehensive design programme. Whether you're dreaming of a career in advertising, publishing, web design, marketing or branding, we're here to equip you with the skills and knowledge to thrive in any industry. Dive deep into the **world of design** with hands-on experience and in-depth training on industry-standard software like Adobe InDesign, Illustrator and Photoshop. With a **focus on practical applications and real-world outcomes**, you will not only study the **core fundamentals of design** but also **master industry methods and workflows** that will set you apart. Through **class projects tailored to your interests**, you will **build a stellar portfolio** showcasing your talents to prospective employers or clients. But it's not just about landing your dream job – our programme is designed to **nurture your entrepreneurial spirit** through professional development initiatives, empowering you to carve your own path in the industry. Plus, with **work-integrated learning opportunities**, you will gain invaluable real-world experience outside the classroom, ensuring you hit the ground running upon graduation. So, if you're ready to turn your passion for design into a rewarding and dynamic career, join us on this exciting journey where your imagination knows no bounds.

Duration: One year. Full-time
