## What you will cover:

Capture life's most precious moments and evoke powerful emotions through the art of photography. In our programme, you will dive deep into the mechanics of the craft, **mastering camera angles, lighting techniques**, and the ins and outs of **both studio and outdoor photography**. But we don't stop there – get ready to unleash your creativity as you learn to **digitally enhance your images** using industry-standard software like Photoshop and Lightroom. With photography being a versatile skill applicable across numerous industries – from advertising and publishing to journalism, fine art and even scientific endeavours – your career options are boundless. Through a **variety of hands-on projects** tailored to your interests, you will have the chance to showcase your strengths and areas for growth, culminating in our **annual photography exhibition** where your talents will shine. And it's not just about honing your craft; our programme is designed to **nurture your entrepreneurial spirit** through professional development initiatives, preparing you for success beyond the classroom. Plus, with **work-integrated learning opportunities**, you will gain invaluable real-world experience outside the confines of Oakfields College, setting you up for a bright future in **the dynamic world of photography**. So, if you're ready to capture the world through your lens and make your mark in the industry, join us on this exciting journey where every snapshot tells a story.
