Master **DJing
techniques**

See fees on Oakfields College Fee Sheet

What you will cover:

Ready to dive into the **world of audio production** and create sonic masterpieces that elevate every medium they touch? Our programme is your gateway to crafting unique soundscapes that breathe life into film, music and video games like never before. Get ready to **explore multi-platform software** like Cubase, ProTools and Adobe Premiere, equipping you with the tools needed to unleash your creativity. With access to our **state-of-the-art recording studios** right here on campus, you will have ample time to hone your skills, **perfecting recording and microphone techniques** until they're second nature. Dive into the realm of **electronic music production**, where you will not only read and write music but also craft your own digital compositions that push the boundaries of sound. From **recording albums to editing, mixing, and mastering sessions**, you will learn every aspect of the production process, ensuring your creations are nothing short of extraordinary. But we don't stop there – our programme also teaches you how to set up your own recording studio and **thrive in live sound environments**, giving you the **versatility** needed to excel in any setting. And with opportunities for professional development and **real-world practical hours outside the classroom**, you will be well-equipped to carve your own path as a **future entrepreneur** in the dynamic world of audio production. So, if you're ready to turn your passion for sound into a career that resonates, join us and let's make some magic together.

Duration: One year. Full-time

This course opens the doors to the following career opportunities

- Studio engineer
- Mixing and editing engineer
- Music producer
- Live sound assistant
- Audio and post production engineer
- Foley and sound design engineer
- And many more

Students are not required to buy their own laptop or software. Oakfields College provides all facilities on campus. International students are required to pay cash price.

Oakfields College is registered with the Department of Higher Education and Training until 31 December 2027 as a private higher education institution under the Higher Education Act, 1997.
