

Jesus gives me

Wedding at Cana • John 2: 1-11

In today's Bible Story, we learned that Jesus turned water into a special wedding drink. Help your child create a joyful surprise at home. Fill the bottom of a plate or bowl with water. Remove the cotton pad from the paper and ask your child to place it in the water. Watch the water swirl and change as the colors from the cotton pad release into the water. Fun to watch, but not to drink. Please dispose of the water when done.
