

God made me wonderful.

Morning Time

When you go into your child's room, say:
"Good morning! I see someone God made...and it's YOU! (Cuddle child.) Do you know how God made you is amazing and wonderful? It's true! [Child's name] is wonderfully made by God."

Drive Time

While on the go, take turns calling out parts of the body for the other person to point to on their own body. For example: You call out "elbow" and your child points to their elbow. When you're done, talk about how God made our amazing and wonderful bodies!

Bath Time

Add a muffin tin and bath foam to bath time. Encourage your child to pretend they are making muffins by filling the tin cups with bath foam. As your child plays, say:
"Making things is fun! I think God had fun making people. God made ALL people, and they are all amazing and wonderful!"

Cuddle Time

Cuddle with your child and pray: "God, thank You for making [child's name]. Thank You for the way You made their (name different parts of the body). When I look at [child's name], I see someone amazing and wonderful, because I know You made them."

MEMORY VERSE

"How you made me is amazing and wonderful." Psalm 139:14, NIV

Bible Story

Genesis 1:27; Psalm 139:13-14
All people are wonderfully made by God.
