

A Devotional About Commitment

Read: Psalm 105:1-2 NIV

DAY

1

Use Your Words

You can share with others about God!

Inside the speech bubble, draw or write one thing that God does.

LOOK for someone to share about God with!

DAY

2

Speak It Out

When you know something good, you want to tell other people about it! Think about what you have learned about God this week. Maybe it's about how God always listens or loves so big.

Now share it with a friend or grown-up. When you speak God's truth aloud, it sticks in your heart like strong glue and helps others hear it too. What can you share about God?

KNOW that God is so happy when you talk about Him!

DAY

3

Brave Words

Words grow stronger when you practice them, just like muscles! Think of a true fact about God. Like how God forgives, or God never leaves you. Now picture telling that truth to someone who's never heard it. Remember, you can ask the Holy Spirit to help you tell someone about God.

With a grown-up, roll paper into a megaphone. Decorate it with the words "God Loves!" Then use it to share that message with someone in your home.

DAY

4

Thankful Words

All week, you've practiced talking about God. Each time you speak, it gets a little easier, like stretching a rubber band a little farther. Before the week is over, take a breath and say, "Thank You, God, for loving me and helping me speak about You."

THANK God that He teaches you.

"Dear God, thank You for teaching me to talk about You. Help my words keep showing Your love. In Jesus' name, Amen."

Practice talking
about God.

Training the body has
some value. But
being godly has value
in every way.
