<b>ARDBEG</b>	£6.00
Islay's peat powerhouse -heavy smoke and earthiness wrapped around citrus and vanilla undertones. A bold, intense dram that kicks off with a punch but rewards the patient with layers of flavour.	
<b>JURA</b>	£6.00
Island whisky with attitude - light smoke, caramel, and a whisper of sea spray. It's the dram equivalent of a moody island sunset — calm, mysterious, and slightly wild round the edges.

**BUNNAHABHAIN** £6.00  
Islay's gentle giant - unpeated (unusual for Islay) but full of rich sherry warmth, dried fruit, sea breeze, and a hint of spice. It's like the quiet pal who turns out to be the most interesting one in the pub.
