**WORD OF GOD SUNDAY**

We know well that listening, sharing, living and proclaiming the Word of God is not a one-day task, but a task to undertake for our whole life. It helps to promote various Bible initiatives throughout the year and provide an opportunity for ongoing formation of the faithful.

**Carrying the Word "in your pocket"**

Cultivate the habit of always carrying a small Gospel in your pocket or bag, so that you can read it during the day. There are different editions of the New Testament or the Gospels – handy, pocket-sized books that easily fit in our bags or backpacks and that we can always keep with us.

**Carrying the Word in you cellphone**

One can easily have the Bible in their cell phone to consult it at any time. There are different apps and websites in different languages, not only with the Bible but also with the Holy Mass readings for each day, pages where to read or listen to the Word of God, pages with commentaries and reflections of the same. One can also use notifications as a reminder to have a moment a day to encounter God's Word so that it accompanies us wherever we go.

**Bible Group**

A group could be organized in the church community, on a weekly or monthly basis, that organises formative or cultural moments of in-depth study of Sacred Scripture, and community *Lectio divina* moments. The meetings should be adapted according to the characteristics of the group (age group, spiritual maturity, etc).

**Meditated Rosary**

Another source for praying with Scripture is the variety of traditional Catholic prayers, such as the Rosary. It is an evangelical prayer with a distinct Christological orientation, defined by St John Paul II as a "compendium of the Gospel". In fact, it has an essentially contemplative character, since it leads us into the meditation of the mysteries of the Lord's life, accompanied by the one who was closest to the Lord. To give biblical foundation and greater depth to the meditation, it is helpful if the announcement of the mystery is followed by the proclamation of a corresponding biblical passage. It is appropriate that after the announcing of the mystery and the proclamation of the Word, one should pause for a suitable period of time to fix one's gaze on the meditated mystery, before beginning the vocal prayer.

**MISSED YOUR SACRAMENTS?**
