POPE PRAYS THAT SPORT BE AN INSTRUMENT OF PEACE

By Courtney Mares, OSV News

With the FIFA World Cup opening this month, Pope Leo XIV has dedicated his June prayer intention to the power of sport to build bridges between cultures and nations. *Source: OSV News.*

The Vatican released the monthly 'Pray with the Pope' video yesterday in which the Pope prayed that "sport may always be a school of fraternity, not of empty rivalry, a space of encounter, not exclusion, a path of peace, not violence."

The Pope's official prayer intention for the month reads, "For the values of sport: Let us pray sport may be an instrument of peace, encounter and dialogue between cultures and peoples, and may promote values such as respect, solidarity, and personal growth."

The American Pope's prayer intention comes as his home country will begin co-hosting the World Cup on 11 June alongside Mexico and Canada. A record 48 national teams will compete across 104 matches in the three host nations until 19 July.

"Lord of life, we thank you for the gift of sport, for those who glorify God through the exercise of their bodies, for the friendships born on the field and the joy of playing as a team," Pope Leo said in the video, recorded inside the Church of San Pellegrino in Vatican City.

"May those who play, train or cheer discover in sport a universal language that brings cultures together, unites peoples, and sows respect, solidarity and personal growth," he added.

From the first days of his pontificate, Pope Leo has been known for his love of sport. He is an avid tennis player and a fan of Major League Baseball's Chicago White Sox.

In the prayer video, Pope Leo drew a connection between athletic life and the Christian journey.

"Lord Jesus, may every sport become a parable of life lived with you, working with joy and effort, living with humility in defeat and with gratitude in the victory you offer in your Resurrection," he prayed.

"May your Spirit never be lacking in us, making us one team, united with you to build communion and fraternity in history."

AID TO THE CHURCH IN NEED

An estimated one in seven Christians worldwide experiences persecution or discrimination because of their faith. In many countries Christians can face imprisonment, violence, or pressure to abandon their faith simply because they follow Christ. Yet despite persecution, countless Christians continue to gather for Mass and practise their faith with remarkable courage - even when doing so may place their freedom or lives at risk. These Christians are our brothers and sisters in Christ, and we are called to stand with them in prayer and solidarity. Through Aid to the Church in Need (ACN), discover and be inspired by their stories. For more information visit aidtochurch.org/bulletin.
