

CARBON CREDIT ATTESTATION FORM

I, [Seller Name], declare that the Carbon Credits listed below were sold exclusively from [Seller Name] ("Seller") to [Buyer Name] ("Buyer"). Further, I declare that:

- 1) All the Carbon Credits and associated Reporting Rights indicated below were transferred to the Buyer;
- 2) The Carbon Credits were not sold to, or, to the best of my knowledge, otherwise claimed by a third party;
- 3) Seller sold the Carbon Credits only once;
- 4) The Carbon Credits have not been used by Seller or, to the best of my knowledge, any third party to meet any international, federal, state or local requirement or other mandate;
- 5) The facilities that generated the Carbon Credits sold to Buyer are listed below by project type:

| Project Name The official name of the credit project. | # of credits | Vintage Year The year a credit was issued. | Project Type E.g. landfill gas, cookstoves, or avoided deforestation, etc. | Verifier VCS, Gold Standard, ACR, CAR, or European Biochar Certificate** | Verification ID This ID number links a credit to a verifier's registry. | Price Per Tonne | Credit Provider Name of the carbon credit seller signing this form. | Project Location List the country where the project is based. | CCP Eligibility*** Project review status at date of purchase (Not yet evaluated, Approved, or Rejected) |
|---|---------------------|--|--|--|---|------------------------|---|---|---|
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |

** VCS = Verified Carbon Standard, ACR = American Carbon Registry, CAR = Climate Action Reserve

*** CCP = Refers to the Core Carbon Principles overseen by the Integrity Council on the Voluntary Carbon Market (IC-VCM).

Projects rejected by IC-VCM before the date of purchase will not be eligible for certification.

As an authorized agent of [Seller Name], I attest that the above statements are true and correct.

Signature _____

Date _____

Printed Name _____

Place of Execution _____

This data submitted on this form will be used by The Change Climate Project to evaluate the eligibility of carbon credit purchases and support the claims made by certifying entities.
