Product Approvals for Signaltape® Underground Warning Tape**AASHTO Product Evaluation & Audit Solutions – Unique, Patented, and Proprietary Products (UP3)**

In addition to DOT approvals, Signaltape® is listed on the American Association of State Highway and Transportation Officials (AASHTO) Product Evaluation & Audit Solutions DataMine list of Unique Patented & Proprietary Products (UP3) as a DOT Submitted Product. The listing can be found here:

<https://datamine.transportation.org/UP3/Products?FilterType=DOTSubmittedProducts>

The purpose of the AASHTO DataMine is to help eliminate redundant testing and auditing of products by States to provide cost-effective evaluations for State DOTs. The program was formerly known as the National Transportation Product Evaluation Program (NTPEP).
