

Key Instant Recall Facts Reception Year Autumn 2

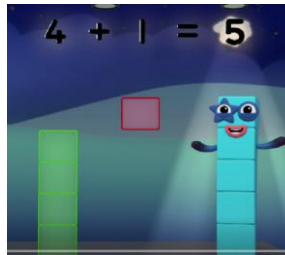

Learn about 5 with Numberblocks

How is 5 made?

Learn about 5

Let's make 5

Supporting your child with their early maths skills. Notice and count:

- Climbing the stairs lets count as we go up.
- Countdown to activities 5,4,3,2,1.....
- Noticing numbers around the home and out and about. E.g. numbers on buses.

Singing number rhymes helps embed the order of number.
