

Key Instant Recall Facts Year 2 Autumn 2

I can use related facts up to 100.

$0+100=100$	$100+0=100$
$10+90=100$	$90+10=100$
$20+80=100$	$80+20=100$
$30+70=100$	$70+30=100$
$40+60=100$	$60+40=100$

Example Questions

What do we need to **add** to 40 to make 100?

What is the **difference** between 100 and 30?

If I have 20 pebbles, **how many more** do I need to make 100?

Activity Suggestions

Related facts— ask your child to write the number bonds to 10 next to the number bonds to 100. Look for patterns and links.

Tens fingers — children can use each finger to represent 10. Say a number (e.g. 60) and they hold up the bond to 100.
