

## Key Instant Recall Facts Reception Year Spring 1

## Let's look at patterns and shape.

Let's make a pattern!

Patterns are everywhere.

## Supporting your child with their early maths skills. Notice and count:

- Look for repeating patterns in the home, curtains, socks etc. What can you see?
- What patterns can we see outside? Fences, colours on buses, trains etc.
- Make your own pattern dance, star shape, hop, star shape hop.
   How creative can you be?

Counting back is important to embed the order of number.
