

Online safety and bullying issues out of school

We are having, as all schools are, a rising number of online safety incidents out of school.

This has an impact in school, and we spend a lot of time educating the children and discussing this with parents. Please ensure your child is adequately supervised when online. This has now become part of the criteria that can lead to referral to Children's Services if a child is repeatedly allowed online access without adequate supervision. We wish to be clear that this is for repeated incidents not isolated cases. We will be issuing some really hard hitting, very clear training for parents to find out more about the dangers associated with unmonitored online access - more information to follow. Thank you for your support in this.

24th April 2026

Annual Parental Survey

Please see below the link to our annual parental survey. We use the results of this survey to help support continued development of our school provision, and so would appreciate it if you could spare a few minutes of your time to complete this.

The link will be open until 4pm Friday 1st May.

Diary Dates

Friday May 1st - Year 1 parent session

Monday 4th May - School closed - Bank Holiday

Tuesday 19th May - Year 6 trip

Thursday 21st May - 5TW/5TH Big Sing Derrigate

Friday 22nd May - Year 5 parent session

Busy term at the Bellinge Campus

At our Bellinge Campus the children in Year 3 and 5 have started their swimming sessions and all Year 4 pupils are learning a brass instrument. There is also a breakfast gymnastics club for Years 3- 5. Children at Ecton Brook Campus participated in the same activities last term.

Our whole school current attendance is 95.3% which is above the national average.

Brass Spectacular

Last weekend our amazing school brass ensemble performed at the Northampton School for Girls as part of a brass event held by the Northampton Music school. It was a great opportunity to perform on a large stage in front of an audience. They sounded and looked great and were a real credit to the school.

The children were also able to listen to other brass groups from across the county.
