

Royal Opera

For our Year three parent session this week the children all performed pieces from the Opera. We have formed a collaboration with the Royal Ballet and Opera and Year three teachers received training on teaching Opera to the children. The children have really enjoyed the unit and performing for parents. Well done Year three!

Sporting Award

We are delighted to announce that the school have been awarded the Platinum School Sports Kitemark, due to the inclusive and wide range physical curriculum that we provide for the children. This is the highest level of kitemark that is possible to achieve, and we are proud to have held this level of excellence since 2018.

Want to help with your child's learning but not sure how?

Just a reminder that the topics and knowledge organisers for next half term are now on our website. The more you read to and listen to your child read, the more chance they will have at making good academic progress.

We are pleased to announce that **450** children have had 2 or less days off school this half term. All of these children have been given a certificate. Hopefully we will have even more children getting a certificate next half term.

Year 6 Trip

Our Year six pupils visited the Warner Brothers Harry Potter studios on Tuesday this week. They had a great time and were very pleased to go out on their trip after completing their SATS.

Big Sing

Earlier in the year our Year five class at Bellinge performed Shakespeare at the Derngate. This week was the turn of the Year five children on the Ecton Brook Campus as they performed in the Big Sing also at the Derngate. The children had a great time learning the animal themed songs and actions over the last few weeks, and performing in a fully packed theatre will be a memory that will stay with them forever. The children were a credit to the school with wonderful behaviour and amazing singing.
