25<sup>th</sup> June 2026

**Y6 Ignite your Future**  
**University of Northampton – Tuesday 30<sup>th</sup> June 2026**

To Parents /Carers of Year 6 pupils

We are happy to share news of an exciting opportunity that we will be providing for our Year 6 pupils next week:

**Ignite Your Future** (Tuesday 30<sup>th</sup> June 2026). This is an event hosted by the University of Northampton to spark children's interests in their educational careers at secondary school and beyond. Designed for year 6 students, the day includes a campus tour, subject workshops and a 'myth-bust' about who can go to a university. Children will get hands-on experience of university subjects led by current academics, explore the vast array of subjects and the links to careers and future job possibilities.

The children need to arrive at school at the usual time and will be taken to the University by coach. They will be returned to school for their usual collection time. School uniform should be worn, and all children will need to bring a packed lunch and drinks in a plastic carrier bag (no chocolate, yoghurts or fizzy drinks please). If your child is entitled to benefit related free school meals and requires a packed lunch provided from the school, please speak to someone in the school office.

This event is being provided for your children completely **free of charge** – including free coach travel to and from the University.

Kind regards,

*Graham Rogers*
