

## National Gallery Trip

Our Year 4 children attended the National Portrait Gallery in London this week as part of their Take One Picture Project.

As always, the children behaved beautifully and were a credit to the school.

The children's artwork, as part of the project, will be displayed at Northampton University alongside work from our other schools from the Northampton Primary Academy Trust.

26th June 2026

## End of year reports

This year we will be emailing out the end of year reports during the middle of July. Like the Spring attendance report, when you receive the report, you will need to put in your child's date of birth to open the report.

Parents of children in Year 1, Year 4 and Year 6 will also receive results of any statutory tests in a similar way. If your email address has recently changed, please contact the office.

## Thinking of having your child's ears pierced?

If you are considering having your child's ears pierced, please think about the timings. Children who cannot remove earrings cannot take part in PE lessons.

If they have their ears pierced at the beginning of the holidays they are usually healed by the time we get back to school. We have some upset children each year when they are unable to take part in PE.

THANK YOU TO EVERYONE FOR MAKING OUR GRACY DAY SO ENGAGING, ENJOYABLE AND MEMORABLE!

WE LOVE TALK!

## Summer Fayres

It is our Summer Fayres next week and we would really welcome everyone coming along to support these events. The money raised goes directly to the children in our school and helps to purchase items such as the Year 6 Leavers hoodies.

These events are from 2:30 - 3:45pm. As always please bring change along as we are a cashless school and so have limited change, especially at the start of the events.

We look forward to seeing you all there.
