

Key Instant Recall Facts

Year 1 Autumn 1

I can use number bonds and related subtraction facts within 5.

Example Questions

What do we need to **add** to 4 toy cars to make 5?

What is the **difference** between 5 and 3?

If I have 1 teddy bear, **how many more** do I need to get to 5?

Activity Suggestions

Everyday objects — ask children to collect items and separate into different piles.

Bunny ears — make bunny ears with your fingers on your head.
Challenge children to work out how many fingers.
