

Want to get ahead?
The curriculum maps, knowledge organisers and maths knowledge sheets for the Autumn first half term will be live on the school website by the end of term, so you can see what your child will be learning when they come back to school in September.

Consistently reading or being read to at home makes a massive difference to children's academic progress.

Please ensure that children continue to read over the summer break.

Summer Fayre

Many thanks for everyone's support at our Summer Fayres. They were very successful and we managed to raise £2,200 which we will use by spending it on our children, including leavers hoodies for our Year 6 children.

Summer Holidays

As this will be our last newsletter of the year, we wanted to thank you for all your amazing support for the school this year and wish everyone a happy and healthy summer holiday.

We will finish the academic year at 3:15pm on Friday 17th July.

Year 6 Test Results

Due to technical issues with the national SATs administration, we will not receive the Year 6 SATs results until Thursday 16th July. As soon as we have these results we will email them out to parents.

Attendance

Our whole school attendance for the year is 95.1%, which is above the national average. Children that attend school over 95% make more academic progress.

Good Luck

We would like to take this opportunity to wish staff and children that are leaving us, happiness and success in the future.

Our current Year 6 children have been great role models and will be missed.

Mrs May is also leaving us. She has made such a difference to our children during her time with us. We wish her well in her next steps.

Term Dates

The term dates for next year are on our school website.

Please remember that any holidays during school time will be unauthorised.

Children will be returning to school on Thursday 3rd September.

Parenting Sessions

Solihull Approach to Parenting

After another couple of very successful parenting groups last year, we are looking at starting a new group from 11th September. This 10-week course will be based at our Ecton Brook Campus.

If you are interested in joining these interactive sessions, please book a place on the course by contacting the school office.

Recycled Uniform

It is the time of year that everyone is starting to sort school uniform for next year. If you have any school uniform that is in good condition, that you no longer need, please hand this into the office.

Recycled uniform is available to purchase from the office for £1 per item.
