Dear Parents and Carers,

On transfer day your child will be dropped off, and collected from, their current class and will then spend the day with their new teacher. Parents are welcome to meet with their child's new class teacher in their new classroom at the end of the day. After you have picked up your child, please pop along if you wish to meet them. Miss Lyon will not be available at the end of the day to meet parents, but she will be available in the morning in the Year two area so that she can meet parents then.

If your child is in Year 2, their entitlement to Universal free meals will end when they move into Year 3. This means if your child wants a hot meal you will need to pay unless you think you are entitled to free school meals. We can help you apply for free school meals if you provide your national insurance number and date of birth.
