4th September 2026

Welcome Back

We hope that you have all had a wonderful summer break. The children have returned to school refreshed and eager to learn. The first couple of days back at school have been very calm with the children getting to know their new classes and routines.

Staffing

We are pleased to welcome Miss Lyon and Mrs Evans who have joined us as teachers this year. Mrs Singer and Miss Berry have also joined our school as teaching assistants.

Every Day Counts!

Attendance in school does make a huge difference to the progress academically and socially that the children make.

PE Kits

Many thanks for ensuring the children wear PE kits to school on the days that they have their PE lessons. The PE kits on these days will be: trainers, blue shorts, white t-shirts. When the weather is cooler the children can wear blue school sweatshirts/cardigans and blue joggers. All this kit can be bought from the school uniform company or clothes of the same colour without a logo can also be worn. As this is our school uniform, children are not to wear football team kits or anything with logos on. Sweatshirts or school cardigans must be worn - not branded hoodies. The school will stock up on some spare PE kit which we will give out for children to wear if they don't have the correct PE kit.

Safety Request

For everyone's safety can we please remind everyone that parents should not drive into the school car park at the start and the end of the day, unless they have been authorised to do so by the school or hold a disabled badge. Also the car park gates are not a walk-way into the school premises. Thank you in supporting us to keep our children safe.
