Hoarding Permit

General Local Law 2017

Rules Apply For Temporary Road Closure

This permit relies on the permit holder meeting all of these rules and any other **statutory obligation** associated with the activity.

1. Any road or footpath closures will not be allowed for more than six hours, and will not continue beyond sunset, unless special permission is given from Council.
2. You must provide Council a copy of your public liability insurance.
3. Council must approve the size and shape of all **hoardings** set up on Council property.
4. **Hoarding** screens must be built with closely boarded timber or plywood between 1.8m to 2.4m in height to secure a building site and form a **barrier** against noise, dust and debris. Chain wire and corrugated iron fences are considered unfit for this purpose.
5. **Hoardings** are to be designed to withstand wind loads to AS 1170.2 with counterweights as necessary to prevent overturning. **Hoardings** adjoining excavations are to be designed to withstand a lateral line load of 0.75 KN/m applied at a height of 1 metre from the base and suitably guarded by **barriers** to prevent vehicle impact.
6. **Hoardings** and **barricades** must be in good condition, free from graffiti and maintained to the satisfaction of the Council. They should be painted in a uniform colour, preferably white.
7. All building work or site work must be kept within the **hoarding**.
8. Adequate safety lights must be provided to the satisfaction of the Council and generally in accordance with AS 1742. All lights must be kept lit from sunset to sunrise.
9. **Perishable, dangerous or hazardous substances** must not be placed within or stored in any public place.
10. Hydrants, service hatches, or other street furniture must not be covered, or access blocked, in any way. A minimum clear access of 1500mm will be required for pedestrians. This may be reduced to 1200mm at locations of street furniture or trees.
11. No advertisements or bill posters other than the contact board is to be attached to **hoardings** without prior approval of Council.
12. Access from existing footpaths to the temporary footpaths are to have a ramp over the kerb and channel. The ramp is to be securely fixed and be a minimum of 1.2m wide.
13. Pedestrian access must be provided and maintained so that there is a clear path with access to and from the existing footpath. A minimum footpath width of 1.5m must be maintained at all times.
14. When work is being undertaken that is near the property boundary, a representative of the permit holder should be present to guide and protect the public.
15. Precautions must be taken before and during any works to protect and guard the safety of the public.
16. The bitumen surface of the road or the sealed surface of the footpath is not to be inserted or damaged under any circumstance
17. Decent and proper traffic barriers, appropriate "Road Closed" and any other necessary warning signs are to be securely put up and maintained across the road and footpaths so that it is safe at all times.

Hoarding Permit

General Local Law 2017

18. The closure is affected using approved **barricades** and warning signs supplied by the applicant. Council reserves the right to ask the applicant to provide more warning signs.
19. The function activities must not interfere with normal pedestrian usage of the street or residents requiring vehicular access to their properties.
20. The applicant must immediately remove all **barriers** and street **obstructions** in the event that access is required by emergency vehicles including: Victoria Police, Fire Brigade, Ambulance, East Gippsland Water and SP Ausnet.

I declare that:

- I have read Council's rules on Street Closures supplied to me and agree to follow them
- The organisation agrees to cover Council, its servants and agents from all actions, costs, claims, charges and expenses from anything related to the closure of a street or footpath.
