

# **The Emory University NHWSN/AAPINA 2021 International Nursing Research Conference**

## **POST COVID-19: Supporting our patients and workforce going forward**

*November 29, 2021 – November 30, 2021  
Emory University School of Nursing*

The 2021 Emory NHWSN/Asian American Pacific Islander Nurses Association (AAPINA) Joint International Research Conference (Virtual) on November 29-30, 2021.

The goals of the conference are:

- 1. To discuss the residual impacts of COVID19 on long term patient outcomes across countries.**
- 2. To prepare nursing scientists for future pandemic situations across countries.**
- 3. To prepare nursing workforces for future pandemic situations across countries.**

The International Research Conference is a 2-day event curated by Emory's NHWSN and AAPINA, with an audience of about 350, made up of research professors, nurse professionals, nursing students, and research staff. This conference will also include six deans/leaders from Asian countries and five deans/leaders from Latin/South American countries and the Minister without Portfolio in Taiwan, Dr. Hsiu-Hung Wang.

### **Contact Hours:**

Emory Nursing Professional Development Center (ENPDC) is accredited as a provider of nursing continuing professional development by the American Credentialing Center's Commission on Accreditation. Attendees to this CNE activity will be awarded contact hours by ENPDC. No conflict of interest has been found with the speaker for this CNE activity nor with the members of the planning committee.

**Need Help with Registration?** Please contact us at [ene@emory.edu](mailto:ene@emory.edu) or 404-727-9208.
