

CATHOLICISM 101

An aerial, golden-hour photograph of St. Peter's Basilica in the Vatican. The sun is low on the horizon, casting a warm, orange glow over the entire scene. The basilica's large dome and classical facade are prominent in the center. In the foreground, the curved colonnades of St. Peter's Square frame the view. The surrounding city of Rome is visible in the background, with other domes and buildings under the soft light.
