

## EZ MOP BUCKET DUMPER

*Clean and Safe Method to Empty Mop Buckets*

### *Eliminate Heavy Lifting on Slippery Floors – Reduce Risk of Preventable Injuries*

The EZ Mop Bucket Dumper makes it convenient and safe to dump mop buckets without requiring awkward heavy lifting. The EZ dumper helps you lift and empty mop buckets with a convenient handle and air assist shock. The system reduces the risk of injuries from lifting heavy and awkward mop buckets in an environment prone to having slippery floors from water, oil and coolant.

**EZ Mop Bucket Dumper (shown on right with optional sump tank, filter & sump pump)**
