## Position Summary

This internship is designed to complement the intern's academic experience by providing hands-on ministry involvement. The program offers supervised, practical experience within a specific area of ministry, allowing interns to apply classroom learning in a real-world church setting. Interns will have opportunities for intentional leadership development, while also gaining exposure to the daily rhythms and responsibilities of ministry life.

## What You'll Do

Each internship position is tailored to the individual goals of the person participating in the internship.

- Summer internship positions are designed to support seasonal programming while also providing intentional experience within a specific ministry area.
- School-year internships may offer a broader overview of ministry, including administrative responsibilities, event planning, team-based ministry experiences, volunteer development, and program planning and implementation.

## What We're Looking For

- A passionate follower of Jesus with a heart for ministry.
  - A person who is pursuing a degree in Christian Ministries or the related field of internship focus.
  - A desire to experience and explore vocational ministry.
-
