

INTRODUCING THE REVOLUTIONARY STERI-SPRAY PRO

WITH DYNAMIC NEW FEATURES

TRANSFORM WATER INTO AQUEOUS OZONE FOR ONLY \$925

- **STRONGER PUMP** – Hi-Power pump for more effective cleaning and sediment removal. Now 50% more powerful.
- **DOUBLE BATTERY POWER** – Dual Lithium-Ion batteries providing up to 50 gallons high pressure spraying on a single charge.
- **SELECTABLE HIGH INTENSITY AQUEOUS OZONE** Increased Aqueous Ozone disinfection efficacy with precise ozone infusion settings ranging from 1 gallon up to 5 gallons.
- **IMPROVED CONTROLS** – Upgraded operational controls with LED feature.
- **EXCELLENT QUALITY COILED HOSE** – Superior quality coiled hose now expands up to 10 ft.

The quickest and most economical way to sterilize wine barrels

Aqueous Ozone extends the life of wine barrels

Generate your own Aqueous Ozone on site. Ideally suited For all CIP applications

- **ELIMINATE USING CHEMICALS & STEAM** - Aqueous Ozone is the most effective way to inactivate bacteria and its unmatched sanitation capability eliminates the need to use steam and toxic chemicals
- **STAINLESS STEEL SPRAY WAND** – The 90 degree spray wand can be rotated to achieve a full 360 degree disinfection
- **UNMATCHED SANITATION** – Aqueous Ozone is the world's most powerful and safest disinfectant that outperforms all chemical alternatives. Safe and reliable.

UNLEASH THE POWER OF OZONE INFUSED WATER
