

HOSPITAL INDEMNITY INSURANCE

Underwritten by Transamerica
Life Insurance Company

FEDERALLY REQUIRED DISCLOSURE

The following disclosure is required by federal regulations to be provided for hospital indemnity insurance applications, enrollment forms, marketing/advertising and re-enrollment documents.

Important: This is a fixed indemnity policy, not health insurance

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care.

- The payment you get isn't based on the size of your medical bill
- There might be a limit on how much this policy will pay each year
- This policy isn't a substitute for comprehensive health insurance
- Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

Looking for comprehensive health insurance?

- Visit [HealthCare.gov](https://www.healthcare.gov) or call 1-800-318-2596 (TTY: 1-855-889-4325) to find health coverage options.
- To find out if you can get health insurance through your job, or a family member's job, contact the employer.

Questions about this policy?

- For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website ([naic.org](https://www.naic.org)) under "Insurance Departments."

HOSPITAL INDEMNITY INSURANCE

Underwritten by Transamerica Life Insurance Company

Hospital Indemnity Insurance from Transamerica pays a cash benefit for each day you are hospitalized. Your benefit can be used to help with deductibles and co-pays — or even costs you might not think about like the need for added child care or help with transportation. This insurance can help you get through a hospital stay without throwing your finances off track.

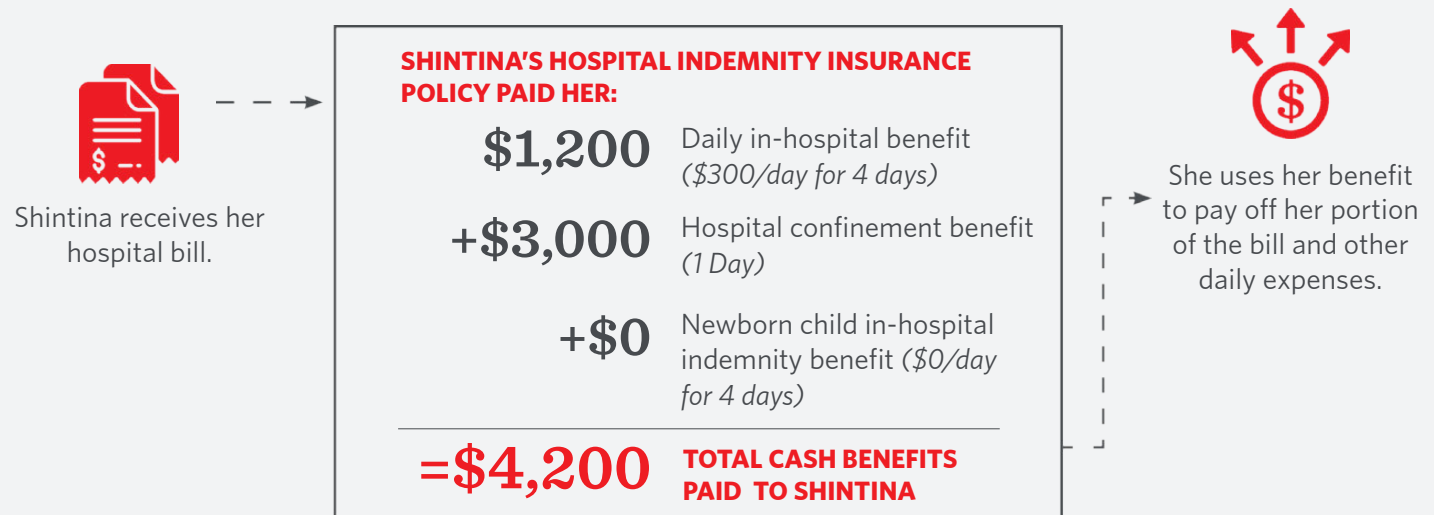

MEET SHINTINA

Shintina looks forward to giving birth, and is especially glad she signed up for hospital indemnity insurance from Transamerica. When her baby needs a C-section delivery, she spends four nights in the hospital, but her finances won't suffer because the birth didn't go as she'd planned. Her policy provides a benefit for the stay, letting her pay her bill more easily and recover without as much financial stress.

Hospital costs average \$2,883 per day throughout the U.S.¹
