www.mashuda.com/dbe-contractors

How

Complete page 2 of this letter which contains the various work types and items that we're accepting quotes for this letting.

- Respond whether you plan to quote, and indicate the work items you will be quoting for each proposal.
- Return the completed form by email to DBE@mashuda.com or quote@mashuda.com as soon as possible.

Prepare and send your quote prior to the letting date.

- Your quote should include all the costs required to complete the items quoted including labor, equipment, material, and related bonding and insurance.
- The quote should note which items that you are DBE certified to perform, any tied bid items, and any special terms or exclusions.
- Send your quote by 9 PM the night prior to the bid letting if possible. Quotes can be sent to DBE@mashuda.com. Be sure to indicate on the quote which proposal the quote is for.
- Include a completed and signed Attachment A with each quote.

We will consider and accommodate quotes with partial items or smaller work packages when feasible.

Quotes for items typically performed by Mashuda Contractors will be accepted and evaluated as required by federal rules.

Subs are encouraged to use the Small Business Network to view and reply directly to our quote solicitations where we also accept quotes.
