

The Role:

Reporting to the Territory Sales Manager you will be involved in the continuing development and support of our DePuy Synthes Joints portfolio. As a critical member of our team in the East your role will be to work closely with Key Decision Makers (KDMs) in the marketplace and their multi-disciplinary teams, ensuring that PEI maintains and attains key market share. This will require you to attend and provide support at relevant theatre cases, educating and promoting to KDMs. Equally, and in conjunction with the Territory Sales Manager, you will partake in the development of business strategies to ensure the continued success of this key business.

PEI has a 32-county focus and your primary responsibility will be the East of Ireland region, however a flexible approach will be required as travel will occur to cover other areas throughout the country.

The Person:

You are someone who uses their business and influencing skills to provide customer focused services and identify customer needs. Your enthusiasm and awareness of the business/market provides the foundations for the development of in-depth relationships in your role. Your motivation and excellent communication skills allow you to excel in both a team and individual environment. Creativity and innovation are important to you providing the platform for you to challenge the status quo.

PEI is committed to delivering a first-class service. All its clinical and sales representatives are equipped to give expert advice on the ward, in the OR, or in the patient's home. The focus on Customer Obsession together with detailed product expertise ensures our unrivalled customer care and excellent on-going product support, which have become synonymous with the PEI brand.

The Company:

Named a "Great Place to Work", PEI is a leading medical and surgical sales, marketing and distribution company. PEI's product portfolio includes major brands from world class manufacturers such as DePuy Synthes, Boston Scientific, Ansell and ResMed. This is an exciting opportunity to work for a company whose focus is in developing its people and ensuring they are equipped to provide service solutions to its customers.

Basic Requirements:

- A clinical qualification with previous relevant experience essential, preferably within the hip/knee implant area
- A willingness to work in a clinical support role
- Experience in/ability to learn and work with navigation/robotic/digital enabling technologies, preferably in orthopaedics
- Excellent interpersonal skills
- A flexible attitude and focus on team work
- Proven attention to detail and follow through
- Capacity to integrate easily
- Quick analytical mind
- Ability to work to deadlines
- A desire to work in sales an advantage
- Ability to work to deadlines
- Computer literate in Microsoft Office
- A clean, full driving license

Roles & Responsibilities:

Reporting to the Territory Sales Manager and working with the wider Orthopaedic Joints team your role and your wider team role and responsibilities reflect PEI's key principles:

Knowledge & Experience:

- To develop and maintain a broad understanding and experience of all aspects of the PEI support process
