## March 2026 Newsletter

### IMPORTANT DATES:

**March 30 & 31**

**Easter Parties**

**April 1, 2, 3 & 6**

**Easter Vacation**

**May 10**

**No School**

**May 21**

**Toddler Last Day**

**May 22**

**Pre-K Last Day**

### TODDLER PARENTS:

The Toddler Classes will continue to work on lengthening attention span and taking turns.

They have attempted to print their own names and we will continue to work on this. Don't expect perfection—improvement will come with increased fine motor skills. If you do help your child practice at home or over the summer, please teach them to use 1 capital letter and the rest lower case. It is easier to teach them the correct way then to have to re-teach after they have learned all capitals.

During the upcoming two months look for many signs of spring as we will watch plants grow, see babies in our classroom and caterpillars turn into butterflies.

**The Preschool Staff would like to thank all preschoolers and families for the Valentines gifts.**

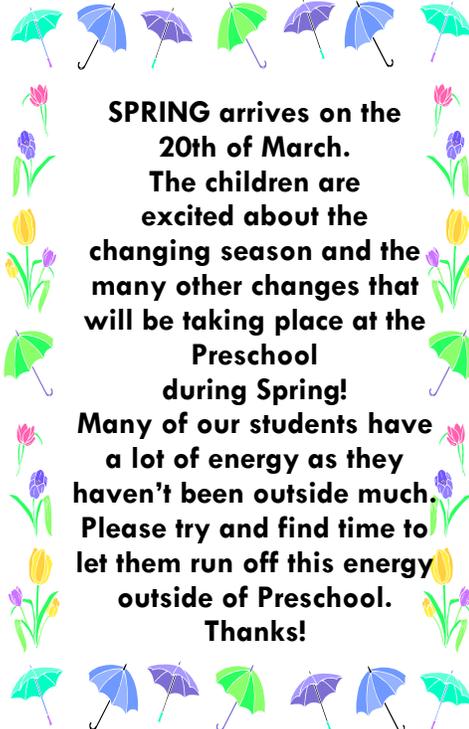

### ROSALIND CANDY SALE

going on now until March 10th. Help the Preschool by selling candy to your friends, neighbors and relatives. Money made on this fundraiser helps pay for supplies for our Preschool and your child. Candy will be available for delivery beginning March 27th.

### EVALUATIONS

Evaluations will be sent home this week. Please return your evaluation after viewing as we use them again in May. If you have any questions or concerns please email or setup an appointment. Also please talk to a teacher if you think your child is not ready for Kindergarten. Sometimes it is helpful to give your child the gift of time.

**SPRING arrives on the 20th of March. The children are excited about the changing season and the many other changes that will be taking place at the Preschool during Spring! Many of our students have a lot of energy as they haven't been outside much. Please try and find time to let them run off this energy outside of Preschool. Thanks!**

### PRE-K PARENTS:

Your Pre-K students will be very busy from now until May with their alphabet, Easter, cutting skills, names, spring crafts and bugs, bugs, bugs!

The Pre-K classes will be encouraged to work more independently on tasks. The children have become very social and will need to focus more on working quietly, writing names correctly for Kindergarten and following simple directions independently. Please encourage your child at home by assigning them simple independent tasks to complete. This is a very important skill for entering their school years.

Watch in April for the of arrival of our caterpillars as our students watch them transform into butterflies. We will release the butterflies outside soon after they emerge from their cocoons.

The Pre-K students have a Pre-K Celebration for their last day in May. Please watch for information at a later date.

### 2026-2027 PRESCHOOL CLASSES

are filling up fast!!! Currently we have 3 full classes. If you are planning on sending your child to Preschool in the fall, or know of someone who would like to, please sign up NOW!
