IMPORTANT INFO FOR NOVEMBER

3 & 5 DAY STUDENTS BEWARE:

Beginning in November the 3 & 5 day student's name tags in the hall will be mixed up. The students will be challenged to find their name tags each day upon arrival. Please encourage your child to find their name independently. One more step towards being more independent and for kindergarten readiness.

ALL STUDENTS will now be wearing coats beginning with the changing weather. 2 day students should be able to put their coats on independently. Zippers and snaps are tricky for this age because of fine motor skills which may not have developed yet. But 3 & 5 day students should be able to do both. Preschool will test this in January. Please start at home with teaching your child to put on their coat. This helps move dismissal along more smoothly. Thanks!
