SVDP offers authentic on and off-site volunteer opportunities for groups of any size. Through our programs, your group can be empowered to participate in making the Baltimore Community a better place for all.

## **Welcome Baskets:**

Welcome baskets help us provide families moving into shelter with the basic necessities. Fill a laundry basket with any or all of the following:

- Twin XL mattress covers
- Twin XL sheet set
- Twin XL blankets and/or comforter
- Crib sheets and mattress pads
- Bath towels and wash cloths
- Toiletries (soap, body wash, shampoo, conditioner)
- Toothbrush & toothpaste
- Laundry detergent

## **Snack Drive:**

With over 200 children in our shelters on any given day, we have a lot of hungry little people asking for after school snacks!

- Granola bars, pretzels, applesauce, juice boxes, goldfish, chips, and peanut butter crackers are all popular options.
