The RLC Uniform

The RLC uniform serves several purposes that extend beyond simple attire. The uniform teaches students the importance of dressing appropriately for school, emphasizing that presentation of self matters. The number one dress uniform instills a sense of pride in our community while helping prepare students for life in professional settings.

All RLC uniform items are grey, navy, or white. RLC branded clothing of different colours is considered Spirit Wear and is not permitted for daily wear at school as part of the school uniform.

RLC expects all new and returning students to have uniforms ordered and ready to wear by the time school commences in September.
