Parent annual fund

Philanthropy is an important and impactful tradition at Rosseau Lake College. The Rosseau Lake College Parent Annual Fund was established as a way for our current parents to support RLC with an annual donation.

Each year, we ask every family for a voluntary gift which directly benefits our students and programs. We are grateful to parents who join in this spirit of giving and continue to strengthen Rosseau Lake College.

To facilitate donations, RLC will place a \$125 voluntary gift on the student's account four times during the Fall term. For families with two or more students at RLC, the voluntary donation will appear on your eldest child's account. Should you wish to participate, Rosseau Lake College will issue a tax receipt for your donation.

Financial assistance

Rosseau Lake College acknowledges that an independent school education is a significant investment in a child's education and future for a family, and we welcome families to apply for tuition assistance in the form of a bursary or scholarship.

Once approved by the Financial Assistance Committee, awards will be credited to your account and scheduled payments may be reduced if the student has been awarded tuition assistance in the form of a bursary or scholarship. Returning student scholarships will be posted once final grades are confirmed in June.

Custodianship

International students applying for a Canadian Study Permit are required to include a notarized Custodianship Declaration with their application. This essential document must be provided by the student's designated custodian.

At Rosseau Lake College, we require every international boarding student to have an English-speaking custodian who is at least 21 years old and lives in Ontario for the entire duration of their studies. **For the upcoming 2025-26 school year, Rosseau Lake College is pleased to offer an in-house custodianship service at no additional charge to international student families**, aside from a small notarization fee. Kate Knight, Assistant Head of School, Student Life, serves as the official custodian for all international students at RLC. To get started, simply complete the RLC In-house Custodianship Service Application Form found on the Enrollment Checklist in the Parent Portal.

Renewal applications for students currently receiving tuition assistance must be completed annually and submitted to Apple Financial Services by January 20th each year. Applications for new families must be completed and submitted to Apple Financial Services by January 30th, 2025.

Tax Credits

Rosseau Lake College provides Canadian tax receipts upon request for those elements of the tuition that qualify as child care expenses, for students 17 years or under, during the calendar year.

The school recommends that you seek advice from your financial advisor regarding applicability of these receipts to your tax situation.

Student Withdrawals

Once a student has enrolled, notice of withdrawal must be made in writing and provided to the Director of Admissions at admissions@rosseaulakecollege.com

- If notification is provided before June 1st, one full semester of the annual tuition is due and payable and will not be refunded.
- If notification is provided after June 1st, the total year's tuition is due and payable and will not be refunded.
- The one-time enrolment fee is not refundable under any circumstances.

Refunds

If the appeal is declined, THEN a refund can be processed.
