

Caring for Seniors at Salty

We're launching this ministry to support the senior members of our Salty family. If you're age 60 or older and feeling isolated or overwhelmed, we want to walk alongside you by connecting you with a caring volunteer who can offer personalized support.

Who can request care?

You may request care if you live in East Volusia County or Flagler County and are either:

- Age 60 or older and part of the Salty community
- Under age 60, but actively caring for a loved one who is 60+ and attends Salty.

What types of support are offered?

Spiritual and social connection
Support during illness or hospital stays
Support after the loss of a loved one
Financial guidance and mentoring
Help with transportation and errands
Assistance with light household tasks

Is financial assistance available?

No, this ministry focuses on volunteer-based care and does not offer financial assistance.

Will you be going into nursing homes or senior living centers?

No, this ministry does not currently partner with residential care facilities.

Can you help me find an affordable place to live?

No, we are not able to assist with finding housing.
