Our story is found in the book of Luke in the Bible. There was a woman called a "widow," which means her husband had passed away, and she didn't have much money at all. This lady was compelled to give to God but all she had was a mite. A mite's value nowadays is less than a penny. She trusted God and shows us that it's not about having a lot; it's about giving with a loving heart, even if it's just a little. That's what true generosity looks like!

DISCUSS & DISCOVER

1. **What happened to Paul and Silas when they were put in prison?** *(They were locked up, but instead of complaining, they prayed and sang songs to God.)* Even in a dark, scary place, they chose to worship and thank God that showed their strong faith.
2. **What amazing thing happened while Paul and Silas were singing?** *(There was a big earthquake that opened the prison doors and set everyone free!)* God used their thankfulness and praise to do something miraculous.
3. **What's one thing you can thank God for, even on a hard day?** *("my family," "my bed," "Jesus," "music," or "friends.")* Thankfulness changes how we see things. When we praise God, we remember He's always with us.

Pray: Dear God, Thank You for all the good things You give us. We are so grateful for everything we have! Please help us to show our thanks by being generous to others. Just like You gave us Jesus, help us to share what we have with people who need it. Give us kind hearts and show us ways to help others. Thank You for teaching us how to give and love like You do. We love You, God! In Jesus' name we pray, Amen
