## DISCUSS & DISCOVER

1. God showed His power through Peter to bring Dorcas (also called Tabitha) back to life. And by bringing her back to life, God showed His power to bring comfort and joy to the lives of her friends. How could God showed His power through you to help others like God helped Tabitha's friends? (Answers may include God could use me to encourage someone who is sad, God could use me to tell my friends about Jesus, and so forth.)
2. Because God is always powerful, He sent His Son, Jesus, to pay the price for our sins on the cross and restore our relationship with God the Father! Where do you see the power of God in our world?
3. When our problems seem too big to handle on our own or when sin brings powerful feelings of guilt and shame, how can we trust in our always-powerful God? (Answers may include we can remind ourselves of how God is powerful yesterday, today, and forever; we can remember the truth about God's love and forgiveness; when we are scared, we can pray or sing a worship song to remind us how powerful God is; and so forth.)

**Pray:** God, we know Your power is always awesome! You brought Dorcas back to life, and You brought Jesus back to life. You saved us from our sin through Your Son, Jesus. No matter what, help us to trust You, Your power, and Your love. Thank You that we are secure in You. Amen.
