Our Bible story today is from the book of 1 Samuel. In this story, we will learn about a young man named David who trusted God completely. David was secure in God, just like we can be secure in God. David's story is just one example of how God can always be trusted.

DISCUSS & DISCOVER

1. In the Bible story, David said that the battle belonged to God. How can what David said help us when we react to the challenges in our lives? (Answers may include asking for God's help, trusting that God will take care of us, and so forth.)
2. We know that God has done some seemingly impossible things, like defeating Goliath. He also saved us from the punishment of our sin through His Son, Jesus! What are some different situations that we can trust God to handle?
3. Because sin has broken people's trust in each other, the world often asks, "Who can I count on?" What is the difference between trusting in people and trusting in God? (Answers may include people may not always be trustworthy, but we can always trust God.)

Pray: God, thank You for sending Your Son, Jesus, to forgive our sins. We can trust that You are faithful to forgive us when we ask and to restore our relationship with You. Help us to trust and follow You, no matter what is happening or how we are feeling. Give us the courage to tell others about how You are trustworthy yesterday, today, and forever! Amen.
