In our Bible story today we learn that Moses was a great leader, and God used him to help the people of Israel. Can you believe they walked around in the wilderness for 40 years? That is a long time! But God was faithful to give them everything they needed. God is faithful means that God can be trusted, and He will always do what He says He will do. Sometimes the people turned away from God and sinned. Sins are the wrong choices we make. But Moses reminded the people of God's promise to be faithful.
