Our Bible story today is from the book of Second Peter. Second Peter is in the New Testament, which is the second part of the Bible. We will learn about a man named Peter! We will learn that God's love is patient because He wants to have time for people to know Him, including you!

DISCUSS & DISCOVER

1. Peter taught Christians that God's timing is different than ours. God's promise of coming back is not late, but He is patient because He wants everyone to turn from sin and follow Him. How can we trust in God's patient timing, even when it is different than our timing?
2. While we wait patiently for Jesus to return one day, we get to tell others about God's great love for them so that they may trust in Jesus as their Savior too! Who we can talk to about Jesus?
3. Some people may ask the question, "How long will things be the way they are?" Although we do not know God's timing, we do know that Jesus promises to return one day and make all things new. How could today's Bible story help answer that question?

Pray: God, thank You that Your love is patient because You desire for all people to turn from their sin and follow You. Thank You for sending Your Son, Jesus, to make the way for us to have a relationship with You both now and forever. Thank You that one day Jesus will return and make all things new. In the meantime, help us tell other people about You. Thank You for Your patient love that is the greatest love we could ever receive. We are so thankful. Amen.
