**Look Ahead:** Who do you know that needs to hear about Jesus?

**Notes:**

**God has provided, Jesus is the ultimate provision, God will also provide here and now for our needs. In his wisdom He has orchestrated all things his grand plan or “conspiracy” through the death and resurrection of Jesus. Like Abraham & Isaac, God provides, even if it means down to the last possible minute and in ways we can’t always see or understand. Share the hope of Jesus, who he is and what he has done. For someone it may be their last minute provision.**
