Today's Bible story is about why we celebrate Easter! The Bible is made up of different books. The four books about the life of Jesus are called Gospels. Our Bible story today will help us see how God cares about us.

DISCUSS & DISCOVER

1. The women were startled when two men, who were angels, appeared to them. How did the women respond when they discovered Jesus was alive? How can we respond to the truth that Jesus is alive? (Allow kids to respond and share your own thoughts. The women were terrified and confused, but then they believed and told others. We can have hope that Jesus is powerful, even over death. We can believe that Jesus is God's Son. We can live our lives by trusting and following Him.)
2. God sent Jesus to die on the cross and come back to life to make the way for us to have a forever relationship with Him. How can God's love for us change the way we live? (We can live with thankfulness that God rescues us. We can live with purpose, knowing we are loved. We can trust and follow what God says. Allow kids to share additional responses.) Do you have any questions about accepting God's invitation to have a relationship with Him through Jesus?
3. We all have times in our lives when we feel like we are not important or wonder if we really matter. How can today's Bible story help when we feel or think that way? How is God's view of you different than the world's view? (God sees you as important and valuable. He cares for you, regardless of your accomplishments or mistakes. The world places value based on people's achievements. God does not keep score like the world. He desires to know you because He cares about you.)

Pray: God, thank You for loving and caring for us. Thank You that we can celebrate Easter because You sent Jesus to make the way to have a relationship with You. Help us believe the truth of who You are and what You have done. Help us to live our lives by pointing others toward You. Amen.
