DISCUSS & DISCOVER

1. James wrote to Christians, encouraging them to use their words wisely. He said that our conduct, which means the things we say and do and how we live our lives, should show gentleness that comes from wisdom. How can wise and gentle words help others and help us? (Wise and gentle words build others up. These words can point others to God. These words encourage us and remind us of what is true and good.)
2. Our words carry power to either lift people up or tear them down. How can God help us use our words wisely? (When we believe in Him, Jesus helps transform our lives. God changes our hearts to follow Him with our words and actions.)
3. It is not always easy to control our words because we can let broken thoughts, feelings, and attitudes control our words. We may even think that our words do not make a difference. What can we do when we wonder if our words really matter? (We can ask God to help our hearts and minds be filled with His love and truth. We can speak words that stick with people for a long time and help point them to God.)

Pray: God, You are so kind to us. Thank You for inviting us to follow You and use our words to tell the world about You! Help us turn to You and ask for help so we can use words that honor You. We love You! Amen.
