Our Bible story comes from chapter 13 of a book called Matthew. In this Bible story, Jesus shares a parable. Parables are stories Jesus told to teach about God and His Kingdom.

DISCUSS & DISCOVER

1. This Bible story talks about how the seed sown on the good soil is the person who hears about Jesus and follows Him! How can we “sow seeds” by sharing Jesus, and what makes it worth it? (We can tell others who Jesus is, why He came, how He forgives sin, how He can change their lives, and why we follow Him. When we share, God can work through us to help others believe and grow in Him.)
2. What do you know about Jesus that you can share with others?
3. If people do not want to listen to you talk about Jesus, is sharing Jesus still a good thing? What can we do in those situations? (Yes, it is a good thing. God works through us even when we cannot see the results. We can remember that when it is hard to talk about Jesus, God will help give us strength.)

Pray: God, help us to remember that sharing Jesus is worth it. Even if people may not be ready to listen or ask more about You, help us know that every chance we get to share about You is worth it. Thank You for helping us grow in You and for working through us to help others know You. Amen.
